PRESENTATION

The International Conference on Pedagogical Innovation **CIIP'2022** is an opportunity for debate and exchange between teachers, training professionals and researchers on higher education pedagogy and educational technologies with the aim of sharing their experiences and enhance their innovative educational practices.

The CIIP'2022 will take place on 20, 21 and 22 July 2022 in Sousse in the presence of Tunisian and international contributors. This conference includes plenary lectures, oral communications, posters and workshops.

Translation provided during the conference

SUBMISSION

Proposals can be submitted in any of the following ways :

- Long research articles (12 pages) presenting the results of accomplished works.
- Posters which describe innovative pedagogical projects, or the first results of ongoing work.
- Practical workshops approaching initiatives and/or innovative pedagogical tools.
- Any other innovative contribution format (discussion circle, educational film, theatrical sequence, comic strip, etc.)

Contributions submitted in French or in English or Arabic must respect the **IEEE template** for articles and **CIIP'2022 templates** for workshops and posters that can be downloaded from our site : ciip.ieee.tn (Submission section)

Contributions submission can be done exclusively by submitting them to the following address : <https://easychair.org/conferences/?conf=ciip2022>

PEDAGOGICAL INNOVATION AWARD

At the end of the conference, an innovation competition will be organized in order to grant the price of the Pedagogical Innovation to the participant winner.
